

Bingham County Senior Center, Inc.

We Need Your Help!

Area Agency on Aging has cut the number of meals they authorize for Meals on Wheels to 5 meals per week. We are requesting **home town businesses** to assist us in making up this money by becoming a Meals on Wheels corporate sponsor for 2023. We need to raise \$7,000.00 for this year to continue providing this service.

We don't want our homebound seniors going hungry. Please join us and be a hometown hero in 2023.
